# Revolution Begins in Tucson

Revolution is an action-oriented "missional" church that meets on Saturday nights at the Mt. View Nazarene Church building. It strives to be "a community that lives by faith, is known by love, and is a voice of hope." It is a place where things are kept very simple, relaxed, and focused. Their pattern of meeting together is traced back to the early Church: teaching from the Bible, prayer, meditation, singing and reflecting. The primary goal is to love God and know Him better by

making His unchanging truth accessible to individuals without watering it down. Members are compassionately and actively involved in the community in order to take the message of the gospel to those who are confused, disillusioned and hurting. ## BREAKFAST SURPRISE

It was a very weird thing that happened that May morning. Kim was cracking eggs for breakfast when suddenly a scream came from the kitchen. What was it!?

DANIEL CONTINUES TO ASSIST THE WORKERS IN THE BACKYARD...HE LOVES TOOLS OF ALL KINDS AND ASKS TO "FIX SOMETHING" EVERY DAY.

***DO YOU HAVE THE READING BUG?***

“Catch the Reading Bug” is the theme for this year’s reading program at the Pima County Public Libraries, but some already have it! If you do, and you are any age, there are some cool prizes that you can get at any library near you. So start doing what you like best: **READING!**

**BOOK NOOK BY MORIAH NEWHOUSE****ANNE OF  
 GREEN GABLES**

L.M. MONTGOMERY

Anne's always talking and if she's not talking she's imagining some new world or new room with silk curtains and sheets that aren't itchy. She has many friends, but there is only one best friend, Diana. They have all sorts of adventures together. This book makes you want to read the next chapter as soon as the last one ended.

## SEW... WHAT'S UP?

BY JORDAN NEWHOUSE

*Heavenly Princess* is the name of my sewing business.

My dad set up a website for the business. We are still in the midst of working out the bugs and updating pages, but it is up! Under "Products" I will be posting all the things that I have sewn, because everything is an example of custom work.

## BLUE RIBBON- HEART GALLERY CELEBRATION 2008

Beautiful professional pictures of children currently awaiting adoption in the Arizona foster care system were perused by hundreds of participants at the annual Blue Ribbon event that celebrates foster and adoptive families. The display is up until June 7.

Check the website for a gallery near you—there are 80 heart galleries in 48 states. The display is amazing and so moving!

## GROSS!

Cont'd from page 1

After years of eating thousands of local eggs from friends' farms, the Newhouses saw their first fully formed chick!

Creepy, but fascinating. In fact 2-year-old Daniel's response was "Oh, how sweet!"

## Interview with a Revolutionary

cont'd from page 1

Kevin Unwin, guitarist and vocalist for the Revolution worship band, has this to say about influencing the culture for Christ: "when I write music, it has a purpose and an intent to connect with and start a dialogue with a searching creation. And in so doing, we help define truth and re-establish purpose for art and expression... through the hope of the perfect creative One."

The Newhouse children have enjoyed watching their "Uncle K." praise God with music at his new church.

## CUTE CWIPS

2 1/2 YEAR OLD DANIEL 'S DESCRIPTION OF A TOY CHAINSAW HE PLAYED WITH AT A FRIEND'S HOUSE: "YOU PUSH THE LITTLE BUTTON AND IT MAKES A NOISE AND YOU PUSH THE BIG BUTTON AND IT MAKES THE BRACES GO UP AND DOWN." (SISTER JORDAN RECENTLY GOT BRACES, WHICH APPARENTLY LOOK JUST LIKE THE TEETH ON A CHAIN SAW!)

## CELEBRITY CORNER

Moriah and Kim worked at Rebecca St James' product table when she came to Tucson to do a concert with her mentor, Evie. The volunteers worked under the guidance of Rebecca's younger sister and parents and enjoyed meeting her very talented brothers. <http://www.joelandluke.com/>

Jordan also attended the SHE event ("Safe, Healthy and Empowered") where the artists spoke to girls and women about those topics.

Evie was Great Grandpa Gene Huxhold's favorite artist in the 70s and 80s and the girls happened to meet this wonderful singer on the 1<sup>st</sup> anniversary of his death (that's his album she autographed.)
